TERMS AND CONDITIONS FOR ADMISSION

1. By completing the online admission form confirms acceptance of the Terms and Conditions for Admission to Midstream College.
2. Consideration will be given to all applications.
3. Parents/guardians are requested to provide information on known disabilities of the learners.
4. Learners, who are more than two years older than the average age of their grade, will not be considered for enrolment.
5. By completing the online admission form implies that parents or guardians are aware:
 - of the Christian ethos of this College and agree that their child will abide by this and will attend assemblies.
 - that Midstream College offers parallel medium tuition and the application for admission hereby submitted is for the English leg – as such all subjects (except Afrikaans) will be taught in English.
 - that the Code of Conduct of Midstream College is accepted and underwritten.
 - that all learners will be expected to participate in at least one summer and one winter sport offered at the College.
 - that by enrolling your child, parents/guardians commit themselves to accept the decisions of the headmaster regarding College organisation and discipline.
 - that all complaints regarding rules, regulations, aims, policies, procedures or the application thereof, must be directed to the Headmaster.
 - that learners are expected to attend all official school days including camps, special days and evenings which the College deems compulsory.
 - I/We give permission that images may be taken of my child and used for publication purposes (including but not limited to printed, digital and social media).
 - I/We understand that personal information of parents and learners are kept in digital and/or hardcopy format, and that this information may be processed for specific and legitimate reasons relating to the functions or activities of the school. Parents and learners have the right of access to personal information that was requested and they have the right to request such information be rectified.
 - Consent is given that personal information may be retained for a period as deemed necessary by the school and may be used for communication, advertising, marketing, historical, statistical or research purposes.
 - Consent is given to receive direct marketing of school related goods and services by means of electronic communication, including but not limited to e-mail, SMS and WhatsApp.
