Integrated Practical Task

Film

For the Grade 11 Dramatic Arts practical exam, learners will remake a movie trailer/music video of any film, selecting roles such as director, actors, cinematographer, sound designer, and editor. They must plan with storyboarding, scripting, and location scouting, then execute the filming with attention to acting, cinematography, and sound recording. Post-filming, learners will edit the footage, focusing on visual and sound editing to match the original trailer's style. During the presentation, they'll introduce their approach and screen the remade trailer for assessment based on accuracy, creativity, technical skills, acting, collaboration, and presentation quality. They may work in groups no larger than six.
