

SCHOOL MATTERS

FROM THE HEADMASTER'S OFFICE

Sometimes we should express our gratitude for the small and simple things like the scent of the rain, the taste of your favourite food, or the sound of a loved one's voice.

Joseph B. Wirthlin

I grew up in Sabie, Mpumalanga and some of my fondest memories of the escarpment were set around rain. In the mid-seventies, it easily rained there for three weeks on end. As I do, I hope you all find motivation, energy, peace of mind, and affirmation of the grace of our Heavenly Father in the rain.

On the theme of water – congratulations to our swimming team that made a clean sweep at the A-league swimming inter-high last week. You were true ambassadors for the College and worthy winners. Thank you to Ms René du Plessis and her team for their sacrifice and enthusiasm. (More details follow later in this newsletter.)

Good luck to our athletes who compete in the A-league athletics inter-high at Pilditch tomorrow. Allow me also the opportunity to thank every teacher, spearheaded by Ms Mia Ras and Mr Henry Verster, for their huge part in organising this event. I believe and trust the weather will play along and give athletes (and spectators 😊) the opportunity to seize the moment and perform to the best of their ability.

I would once again like to invite parents to immediately take up any matter of concern or anything they are unsure about with the relevant teachers. Please follow the channels, and if the matter has not been addressed satisfactorily, you are always welcome to contact me directly. Thank you for entrusting your children to us and may your days be filled by the voices of your loved ones.

GRADE 12 INFORMATION EVENING

We would like to invite the grade 12 parents and learners to our information evening in the hall on Tuesday, 25 February at 18:30. Important grade 12 matters such as academics, university applications and the matric farewell will be discussed, and we hope to see you all there.

OPEN DAY – 12 MARCH 2025

ACADEMICS

LONG WEEKENDS

As you are aware, there are several long weekends in April and May. You are reminded that there are scheduled term tests in between and that learners cannot be excused for extended long weekend purposes.
